

CYBERLAW PROGRAM

MAY 6, 2026

1:30 - 4:30 P.M. EDT

INDIANAPOLIS BAR ASSOCIATION HEADQUARTERS

140 NORTH ILLINOIS STREET

INDIANAPOLIS, INDIANA 46204

In the 1990s, judges and scholars used the expression “law of the horse” in debating whether cyberlaw should be treated as a niche area of the law, or whether general legal principles were sufficient to address issues arising in cyberspace. Since that time, cyberlaw has developed into a unique segment of the law that continues to evolve in response to emerging technologies.

The Asian Pacific American Bar Association of Indiana (APABA-IN) invites you to celebrate the Year of the Horse with a cyberlaw program featuring an impressive lineup of presenters, including two former U.S. Attorneys for the Southern District of Indiana and a former Justice of the Indiana Supreme Court.
